

REMARKS

In the specification, a paragraph has been added which states that the instant application is a divisional of a previously filed patent application.

Claims 1-21 and 32-36 have been canceled. Accordingly, claims 22-31 remain in the instant application.

In view of the above, the Applicant believes that all pending claims are allowable and respectfully requests a Notice of Allowance for this application from the Examiner. Should the Examiner believe that a telephone conference would expedite the prosecution of this application, the undersigned can be reached at the telephone number set out below.

Respectfully submitted,
